STATINTL

General J. A. Anderson
Commissioner of Highways
Richmond 19, Virginia

Dear General Anderson:

STATINTL

STATINTL
Mr. Dulles is indeed pleased that you will find it convenient to lunch with him on Tuesday. I have talked to him since our telephone conversation this morning and there are some changes in his schedule that have been made necessary by developments here in Washington. Mr. Dulles, Mr. Carey, [REDACTED] and I plan to leave Washington at 12:30 p.m. EST and should arrive at the airport in Richmond at about 12:15 p.m. EST. Therefore, we should like to meet you and your people for lunch and visit our local field office later in the afternoon. [REDACTED]

STATINTL

[REDACTED] has made arrangements for lunch at the Commonwealth Club rather than the Rotunda Club as I indicated this morning. Mr. Dulles would like very much to call on the Governor if it is convenient. We would also like to have our [REDACTED] Messrs. [REDACTED] meet you and have asked them to join us for lunch.

STATINTL

STATINTL
With regard to transportation from the airport, we do not wish to inconvenience you in any way, and [REDACTED] can arrange transportation for us to the Commonwealth Club. However, if you would like to meet us at the airport we would, of course, be delighted. I have asked [REDACTED] to get in touch with you, and whatever arrangements are worked out between both of you will be entirely satisfactory.

We appreciate your courtesy and cooperation very much indeed and look forward to seeing you on Tuesday.

Sincerely,

STATINTL
